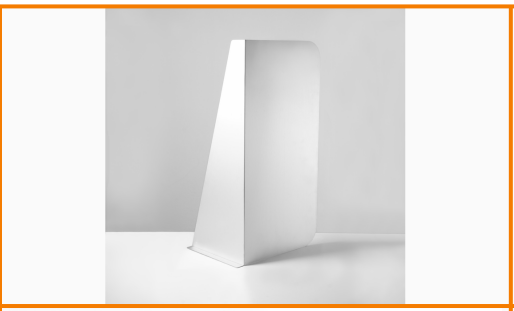
PARTORY

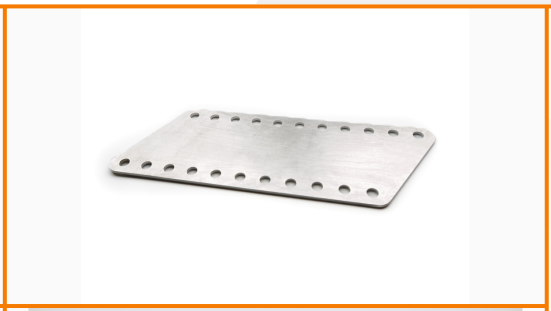
ELMIA SUBCONTRACTOR 2026

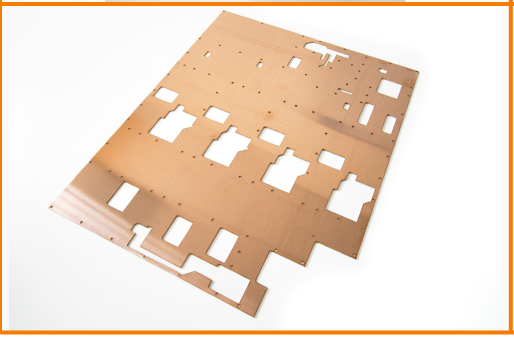
Your second source.
Stronger procurement.

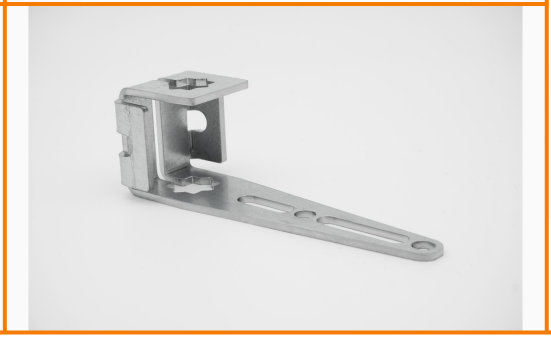
Sheet metal and other metal parts made to technical drawings.

One YES is enough.









01 **Looking for a reliable second supplier?**
An alternative source that reduces the risk of supply disruptions.

02 **Want 100% transparency into your production?**
See production progress for your orders online in the PARTORY portal.

03 **Want savings on parts you have no time to review?**
Focus on your key parts. We will deliver savings on the rest.

PARTORY manufactures and supplies metal parts to your drawings.
One supplier. One contact. Agreed price, delivery and quality.
