

Dear business partners,

we are contacting you on behalf of **ELEKTROSPŮJ s.r.o.**, a Czech wholesale supplier and distribution partner of cable solutions and electrical installation materials with more than **30 years of experience**. Since 1993, we have been supplying wholesalers, industry and infrastructure projects with a strong focus on reliability, flexibility and long-term cooperation.

We are currently looking to establish **new B2B partnership** in Bulgaria and would like to introduce ELEKTROSPŮJ as a reliable wholesale supply partner for cables and related electrical materials.

We supply cable solutions mainly for:

- **gas industry**
- **chemical and petrochemical plants / refineries**
- **metro, rail and telecommunication infrastructure**
- **energy and utility projects**

Our portfolio is structured into four main categories:

- **Power Cables (LV / MV / HV)**
- **Fire-Resistant & Halogen-Free Cables**
- **Control, Instrumentation & Communication Cables**
- **Cable Tray & Cable Management Systems**

In addition to our core cable portfolio, we also supply **electrical insulation materials, enamelled and winding wires, and other electrical installation materials for complete project support**.

Over the years, we have participated in supplies for major projects such as **Nord Stream 2, Temelín Nuclear Power Plant, O2 Arena Prague, tunnel projects, Václav Havel Airport Prague, and Škoda Auto factory projects**. We have also been **ISO 9001 certified since 2002**.

We would be pleased to discuss possible cooperation with your company and present our product portfolio in more detail.

Thank you for your time and consideration.

Best Regards

Šimon Mládek
