

# ELEKTROSPŮJ s.r.o.

Wholesale supplier of cable solutions and electrical materials for wholesalers, industry and infrastructure since 1993.

"We connect your business with reliable cable supply.."

# What We Do

## **Cable Supply**

Cable solutions for gas, chemical, rail, telecom, energy and other infrastructure projects.

## **Wholesale Supply Support**

Reliable supply support for electrical wholesalers and distributors.

## **Complete Project Support**

Electrical installation materials for complete project supply.

## **Extensive stock availability**

Large stock on hand for fast dispatch and short lead times

## **Fast Custom quotation**

Fast quotations for wholesale and project inquiries.

## **In-house CNC machining**

For precision parts to your drawings

## **Cable buy-back and recycling**

Buy-back of all cable types. Better pricing due to in-house separation.

## **Delivery to site**

In-house fleet for flexible delivery

# Our Main Product Range

## **Power Cables (LV / MV / HV)**

- low-voltage power cables
- medium-voltage screened underground cables
- high-voltage cable solutions up to 50 kV
- armoured and screened power cables
- aerial power cables and conductors

## **Fire-Resistant & Halogen-Free Cables**

- halogen-free, low-smoke cables
- fire-resistant cables
- cables with circuit integrity
- special-purpose cables for critical infrastructure

## **Control, Instrumentation & Communication Cables**

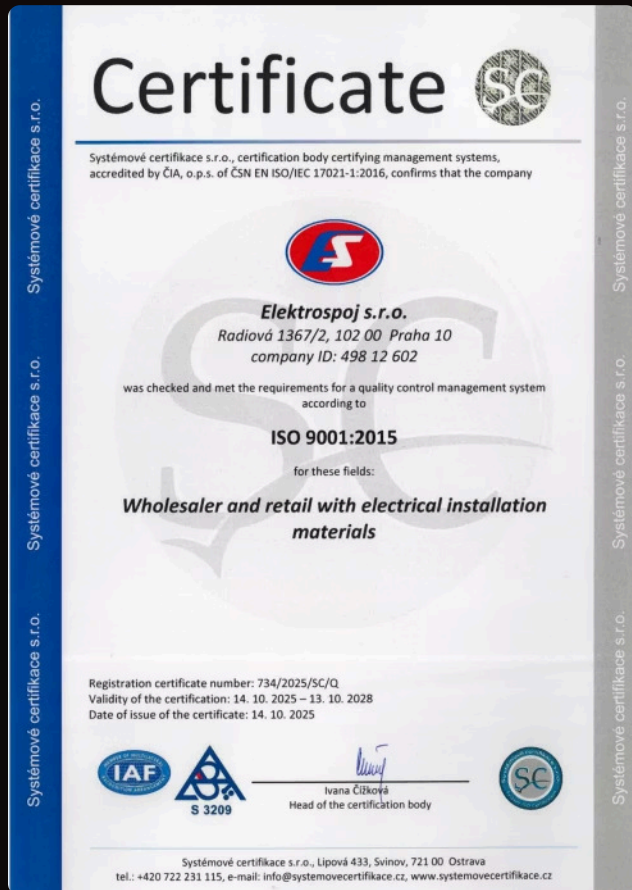

- control cables
- instrumentation cables
- telecommunication and communication cables
- railway signalling underground cables

## **Cable Tray & Cable Management Systems**

- cable trays
- cable trunking
- cable support systems

# ISO 9001 and Responsible Approach

## ISO 9001 since 2002

Certified quality management system for long-term reliability

## EKO-KOM Partner

Waste take-back and recovery in compliance with legislation

## Safety and Quality

Emphasis on supply reliability and long-term partnerships

# Our Partners

We cooperate with trusted manufacturers and brands to ensure availability, quality and reliable supply.

## Cables

PRAKAB, NKT, Kablo Vrchlabí, Koneka, KDP, Labara

## Components and systems

KOPOS, OBO Bettermann, ABB, Arkys, IZO-ERG, Schneider Electric

## Winding wires

Essex Furukawa, Sarkuysan, Vincente Torns Group, IRCE, Acebsa

## Lighting, tools and equipment

T-LED, Makita, WAPRO

# Charitable activities

## 20 Years of Support for Apropo Jičín, o.p.s.

For more than 20 years, we have supported Apropo Jičín, a non-profit organization helping families who are raising children with disabilities to live full and independent lives.

Our contributions enable professional care, rehabilitation, and individual support where it is needed most.
