

CEC Group & DGA Network

The **DGA Network** is the largest global network of independent public affairs, government relations, and strategic communications firms, with **CEC Group** proudly serving as one of its affiliates and partner firms.

We support and advise companies in the Defense, Security & IT sector on public affairs and strategic communication. **Our expertise helps them navigate complex regulatory environments, build trust, and engage effectively with key stakeholders and decision-makers.**

CEC Group

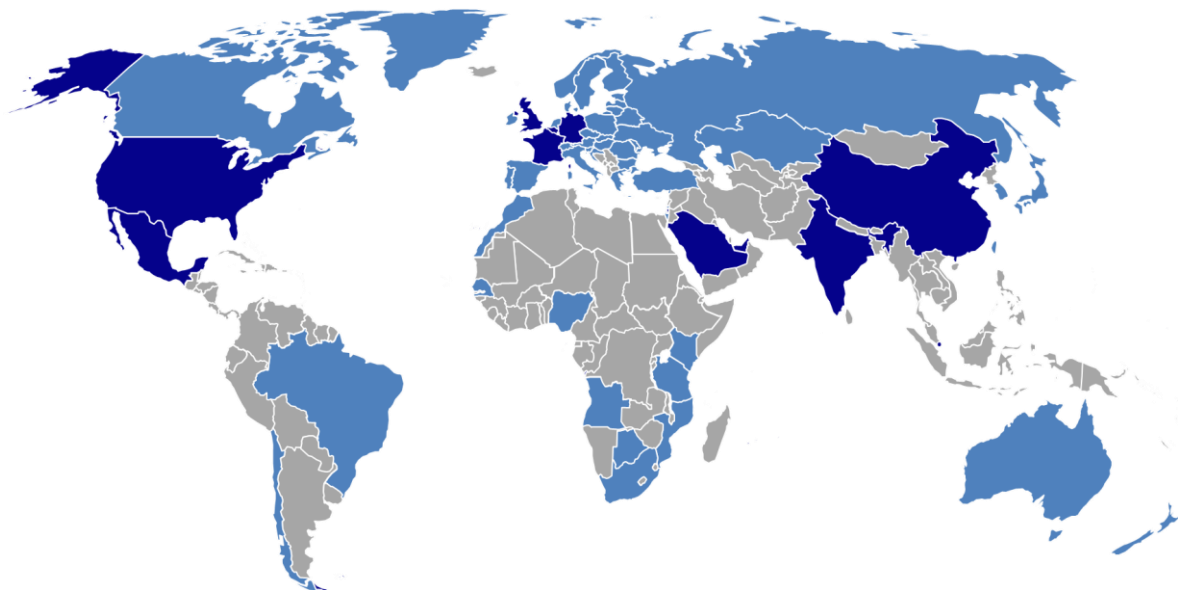

www.cecgr.com

- CEC GROUP is a leading public affairs agency in **Czechia** and Central Europe, with offices in **Slovakia, Hungary, Estonia** and **Poland**.
- We help our clients succeed by providing a full range of **public affairs services**: from strategic planning and stakeholder engagement, to ongoing monitoring, ad-hoc support, and comprehensive project evaluation. Our goal is to deliver measurable impact and long-term results.
- Beyond public affairs, we also support our clients with **strategic communications**, while our analytics team prepares in-depth due diligence and **investigative reports** on companies and individuals.
