

Precision Technology with submicron tolerances from 1 piece to one million

stoba is your technology partner for process development and the production of high precision components.

The standard is not enough?
That's exactly where we come into play.

stoba at a glance

- 60+ years of experience
- 7 locations worldwide
- More than 1.000 employees
- 70.000 square meters of production area
- More than 100 million components per year

For:

Commercial Vehicles

e-Mobility

Passenger Cars

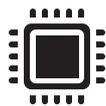

Agricultural & Building Machinery

Shipping

Micromobility

Semi-conductor

Consumer Goods

Industrial Applications

Aerospace/ Security & Defense

Medicine & Laboratory

Our Technologies and Services:

Milling & Drilling

Hard & Fine machining

Laser Technology

ECM & PECM

Turning

Cleaning

Measuring & Testing

Assembly

Engineering Services

Sheet Metal Processing
