

Embassy of the Czech Republic
in Brussels

Prague House

Dear Sir/Madam,

We would like to invite you to **a networking event with presentation of Czech smart city and intelligent mobility solutions**, organized by the Embassy of the Czech Republic to Belgium together with the CzechTrade Belgium.

The event will take place on Tuesday, 21 June 2022 from 10:30 in the Prague House, Avenue Palmerston 16, 1000 Brussels, Belgium.

The aim will be to create opportunities for collaboration in the smart cities and intelligent mobility sector between Czech and Belgian companies and public sector.

We will showcase following solutions:

Award-winning smart city integration platform,
cutting-edge intelligent transportation systems (ITS),
AI-based traffic intelligence and video analytics,
smart public transport solutions,
adaptive traffic control with vehicle preference at intersections based on the newest V2X communication standard,
contactless transport ticketing and parking payments solutions,
innovative weigh-in-motion systems,
sustainable solutions for public transport.

Programme:

10:00 – 10:30
