# 3 major benefits to business grow your café or restaurant

1. Greater customer engagement and increasing sales
2. Attracting more customers, and ensuring a 'full house'
3. Collecting customer data and better personalisation

---

## Basic (Restaurant App)

£ 1490

I want to collect data about my customers and send them push notifications, but I don't want to use the loyalty programme for the moment

---

## Standard (Restaurant Loyalty App)

£ 2990

I want to take full advantage of the loyalty app's potential and increase customer engagement and sales

---

## Premium (Restaurant Loyalty App + customised website)

£ 4490

Newly in business? This package is for you.  
We will create a bespoke design, website & app.
